

2023.09.27 (Wednesday), Hungexpo A pavilion								
Green financing								
Venue	Start	End	Block	Title	Format	Participants	Institution	
Conference Room	10:00	10:10	Opening Ceremony	Planet Budapest 2023 - The opening performance of the entire program series	Opening	János Áder President of the Board of Trustees	KBKA	
	10:10	11:00		Sustainability dialogue	Introductory conversation	János Áder Zsolt Hernádi	KBKA MOL	
	11:00	11:10	Regulation and international outlook	Green financing program opening	Presentation	Bálint Palotai	IFUA	
	11:10	11:40		The current state of Green Financing in Hungary MNB Situation Assessment	Presentation	Dr. Csaba Kandrács	MNB	
	11:40	12:00		International Trends in Green Financing UN Report	Presentation	Gábor Gyura	ENSZ	
	12:00	12:20		Trends in Agricultural Subsidies for Promoting Sustainability	Chambers presentation	Gergely Papp	NKA	
	12:20	12:40	Press event	Compoicity product launch	Product-presentation	Emese Pancsa	Compoicity	
	12:40	13:30	Lunch break					
	13:30	14:00	Sustainability and financing issues of professional organizations	Practical Aspects of Green Financing Roundtable Discussion with Professional Organizations	Roundtable talk	István Salgó Erzsébet Ódor Imre Király dr. Viktória Bodnár	BCSDH KÖVET KSZGYSZ IFUA	
	14:00	15:00	The role of green financing in agriculture and the food industry	Green Financing as a Business Opportunity Roundtable Discussion with Domestic Financial Institutions	Roundtable talk	András Puskás György Gáki Gábor Bara Ádám Csécseli	MBH OTP ERSTE EXIM	
	15:00	15:30	Break					
	15:30	16:00	Green financing for startups	Green financing for startups KBKA Capital Fund	Panel discussion	József Török EmesePancsa Ákos Fűzi	KBKA Compoicity Navitasoft	
	16:00	17:00	Examples of sustainable financing in agriculture and in the food industry	Successful Green Financing Examples Joint Presentations by Agricultural/Food Companies and Financing Banks	Presentations	Zoltán Forján Attila Szankó	ERSTE KOMETA	
						Csaba Zsarnóci Ádám Nagy	OTP Nádudvari Élelmiszer Kft.	
Dávid Hollósi Rajmond Percze						MBH Agroloop		
17:00	17:15	Conclusion						

2023.09.27 (Wednesday), Hungexpo A pavilion								
Renewable energy								
Venue	Start	End	Block	Title	Format	Participants	Institution	
Section Room	11:00	11:20	Opening Presentations	The role and future of renewable energy in energy policy	Presentation	Viktor Horváth	EM	
	11:20	11:40		Regional Energy Situation: Trends and Prices	Presentation	László Szabó	REKK	
	11:40	12:00		Renewable Energy: Regulatory Outlook in Hungary and the EU	Presentation	Dr. Péter Kaderják	Zéró Karbon Központ	
	12:00	13:00	LUNCH BREAK					
	13:00	13:20	Renewable energy saves the value chain: production, transmission	Status, Experiences, and Lessons of Renewable Energy Production	Presentation	László Vadas	Nap Nyrt.	
	13:20	13:40		Energy Production from Agricultural Waste Streams	Presentation	Anita Simon Gábor Élő	ALTEO MOL	
	13:40	14:00		Practical Experiences of Renewable Energy-Based Green Hydrogen Production in Hungary	Presentation	László Pintér	OPUS csoport	
	14:00	14:50		Self energy production and cooperation opportunities Roundtable discussion	Roundtable talk	László Vadas Anita Simon Gábor Élő Marcell Szűcs Sándor Sorossy	Nap Nyrt. ALTEO MOL Planergy IFUA	
	14:50	15:20	Break					
	15:20	15:40	How should you switch to renewable energy on your own?	Self-Sufficiency: How to Switch to Using Renewable Energy?	Presentation	Attila Gódi	TERRÁN Tetőcserep Kft.	
	15:40	16:00		Use of renewable energy in the food industry	Presentation	János Nagyfalvi	Árpád Agrár	
	16:00	16:20		Energy Communities, Innovative Solutions, New Directions, Energy Community System	Presentation	Berta Baracsi	MVM	
	16:20	17:10		Exploring New Paths - Innovation in Energy Supply Roundtable Discussion	Roundtable talk	Attila Gódi János Nagyfalvi Gábor Szita Sándor Sorossy	Terrán Tetőcserep Árpád Agrár Magyar Geotermális Egyesület IFUA	
	17:10	17:20	Conclusion					

2023.09.28 (Thursday), Hungexpo A pavilion								
Agriculture close to nature								
Venue	Start	End	Block	Title	Format	Participants	Institution	
Conference Room	10:00	10:45	Opening	Sustainability Dialogue Introductory Discussion	Opening presentation	János Ader István Nagy	KBKA Ministry of Agriculture	
	10:45	11:05	Opening presentation	The main challenges of agrochemical-based farming presentation	Presentation	László Szabó	Hold Alapkezelő	
	11:05	11:40	Close-to-nature agriculture in practice	Roundtable Discussion on Regenerative Agriculture	Roundtable talk	dr. Viktória Bodnár Adrienn Gyenes Zoltán Réng László Szabó dr. Zsolt Feldman Szilárd Szentpáli	IFUA NAK HUNGRANA Hold Alapkezelő Ministry of Agriculture Bonafarm Csoport	
	11:40	12:15		Spraying was easier than hoeing	Roundtable talk	Bence Bolyki Tibor Dobai Péter Ákos Mesterházi Zoltán Szász	Agroinform Syngenta AXIAL HORSCH	
	12:15	13:15	LUNCH BREAK					
	13:15	14:30	Close-to-nature agriculture in practice	What We Learned at the Agricultural University, but See Differently Today - Lecture and Roundtable Discussion	Presentation	Dr. Gergő Péter Kovács	MATE	
					Roundtable talk	Dr. Gergő Péter Kovács Marcell Bakocs Zsombor Diriczi Prof. Dr. Dobos Endre László Hadászi Gábor Nagy	MATE Agro-Favorit 2001 Déméter Biosystem MITT KITE Agrina Consulting	
	14:30	14:55	BRBREAK					
	14:55	15:15	Close-to-nature agriculture in practice	Common Misconceptions about the Ecological Footprint of Agriculture and Livestock Farming	Presentation	Szabolcs Bóna	Rábapordányi Mező Zrt.	
	15:15	15:35		Practical Experiences in Sustainable Transition	Presentation	Dr. Zoltán Gergácz	Kányai Mező Zrt.	
	15:35	16:10		Practical Examples of Transitioning to Regenerative Agriculture	Roundtable talk	Szabolcs Bóna Dr. Zoltán Gergácz Dániel Gríbek Vince Láng	Rábapordányi Mező Zrt. Kánya Mező Zrt. Hektár podcast AgriDron	
	16:10	16:30	Future opportunities	Green Production of Vegetable Oil	Presentation	János Grászli Ferenc Nyakacs	Bunge	
	16:30	17:00		Milk Production in a Green Value Chain	Presentation	Norbert Kovács Zsolt Godér	NMT Sole-Mizo	
	17:00	17:10	Conclusion					

2023.09.28 (Thursday), Hungexpo A pavilion									
Water management									
Venue	Start	End	Block	Title	Format	Participants	Institution		
Section Room	11:00	11:20	Simultaneous maintenance of water supply and food production security	Opening Presentation - The scarcity of water	Presentation	Pál Réthy Károly Kovács	Deputy Secretary of State for Public Employment and Water Affairs President of MaSzeSz		
	11:20	12:10		Water Resources and the Changing Value of Water Due to Climate and Human Impact	Roundtable talk	Tamás Weidinger László Koncos Károly Kovács Géza Csörnyei István Láng	Meteorológus - ELTE BME VKK MaSzeSz Fővárosi Vízművek Országos Vízügyi Főigazgatóság		
	12:10	12:25		Capital Financing for Water Industry Innovations	Presentation	József Török	KBKA		
	12:25	13:10	LUNCH BREAK						
	13:10	14:00	Evolution of water resources and needs due to climate and human impacts	Water Demand Requirements and Water Supply Options in Agriculture	Roundtable talk	Csaba Bozán Krisztián Csűrös Gábor Mészáros Attila Molnár Tibor Szólláth	Öntözés és Vízgazdálkodási Kutatóközpont Országos Vízügyi Főigazgatóság KITE Zrt. MaSzeSz NAK		
	14:00	14:10		Sewage sludge has value on circular economy principles	Presentation	Alexandra Fekete	TRV Zrt.		
	14:10	15:00		Innovative Partnership in Urban and Agricultural Water Management Practices	Roundtable talk	Gréta Nagy Éda Pogány Dalma Dedák Attila Kókény Anna Hőgyész	BCSDH Syngenta WWF Talejmegújító Gazdák Egyesülete Nestlé		
	15:00	15:10		Presentation of the agricultural disposal practices of municipal sewage sludge by ALFÖLDVÍZ Zrt.	Presentation	Hajnalka Veres	Alföldvíz Zrt.		
	15:10	15:40	BREAK						
	15:40	16:30	Usability of the "products" of municipal wastewater treatment in agriculture	Integrated Watershed Management in the Context of Climate Change	Roundtable talk	László Hadászi Annamária Galambos-Tóth Zoltán Lakner László Balatonyi Prof. Dr. János Tamás	KITE Zrt. NAK MTA Debreceni Egyetem Országos Vízügyi Főigazgatóság		
	16:30	16:50		Benedek Pál Awards Ceremony					
	16:50	17:30		HWP Water Industry Innovation Forum (HWP-MaSzeSz Mentor Association)					

2023.09.28 (Thursday), Hungexpo A pavilion							
.wave alumni program							
Gallery	15:00	15:15	Opening	.wave Alumni Program introduction	Presentation	Gabriella Sódar	KBKA
	15:15	17:15	Training	Sales and networking	Workshop	Barnabás Cskós	Salarify
	17:15	17:30	Conclusion				

2023.09.28 (Thursday), Hungexpo A pavilion								
Planet Pitch Perfect								
Press room	11:00	17:30	Filming of the startup video pitch competition					

2023.09.29 (Friday), Hungexpo A pavilion								
Sustainable packaging								
Venue	Start	End	Block	Title	Format	Participants	Institution	
Conference Room	10:00	10:45	Opening	Sustainability Dialogue	Introductory conversation	János Áder Gábor Czepek	KBKA EM	
	10:45	11:15	Introducing the topic and placing it in an international framework	International Trends in Packaging	Presentation	Bálint Varga	IFUA Horváth	
	11:15	11:35		Domestic Regulations in the Packaging Industry, Expected Changes	Presentation	Dr. Anikó Raisz	EM	
	11:35	11:55		What challenges does MOHU (Hungarian Waste Management Federation) face in terms of managing and recycling waste generated by the packaging industry?	Presentation	Zsolt Pethő	MOHU	
	12:00	13:00	LUNCH BREAK					
	13:00	13:20	Food industry players on packaging trends	Food Packaging Solutions and Trends in the Food Industry	Presentation	Attila Avramucz	Univer	
	13:20	13:40		Sustainable Packaging Solutions in the Beverage Industry and Hospitality	Presentation	Eszter Mihály	HELL	
	13:40	14:00		Reusable Wine Bottles	Presentation	Varga Péter	Varga Pincészet	
	14:00	14:50		Packaging Trends in the Food Industry	Roundtable talk	Attila Avramucz Eszter Mihály Varga Péter - Felkérés alatt Attila Vörös Dr. Krisztina Wégnér	Univer HELL Bonafarm Varga Pincészet Felelős Élelmiszergyártók Szövetsége Hulladékkezelési szakértő	
	14:50	15:20	BREAK					
	15:20	15:40	Packaging in catering	Sustainable Hospitality	Presentation	Tibor Hodik	Natura Hill	
	15:40	16:00		Natural Hospitality	Presentation	András Juhász	CleanECO	
	16:00	16:20		Sustainable/Innovative Packaging Solutions and Waste Generation Optimization	Presentation	Zsolt Márkus	PowerPak	
	16:20	16:40		Zero Waste Manufacturing Technology Opportunities in the Food Industry	Presentation	Marianna Pinczés	Grapola	
	16:40	17:30		Packaging and Sustainability - Challenges in the Hospitality Industry	Roundtable talk	Anna Niszkács Marianna Pinczés Zsolt Márkus András Juhász Mihály Szilvási Dr. Krisztina Wégnér	Onyx Grapola PowerPak CleanECO Natura Hill Hulladékkezelési szakértő	

2023.09.29 (Friday), Hungexpo A pavilion								
Sustainability and Society								
Venue	Start	End	Block	Title	Format	Participants	Institution	
Section Room	11:00	12:30	Cooperation of social organizations Corvinus Science Shop	Corvinus Science Shop - With community partners in university education for sustainability	Presentation	Attila Mester Dr. Sarolta Horváth Réka Matolay, PhD Márta Frigyik Daniella Dominika Galla, PhD	Profilantrop Egyesület Rakun Dobozközösség Budapesti Corvinus Egyetem	
	12:30	13:30	BREAK					
	13:30	15:00	Cooperation of social organizations Nonprofit revolution	Nonprofit revolution: can an NGO own a Tesla?	Roundtable talk	Sára Forgács-Fábián Viktória Környei Kinga Rohrböck Péter Szabó Péter Puskás Tünde Schranc	Amigos a Gyerekekért Alapítvány Kikaps.
